- About us
- Our Services
- Why Choose Us

TELENERGE LTD is a leading engineering company specializing in **Electrical Engineering, Power Solutions, Telecommunications, Renewable Energy, and ICT Infrastructure**. We provide innovative, reliable, and cost-effective engineering solutions tailored to meet the evolving needs of commercial, industrial, government, and residential clients.

We Believe in and Promote Quality Delivery

Our Vision

To become the leading provider of integrated engineering, power, telecommunication, and ICT solutions across Africa.

Our Mission

To deliver innovative, reliable, and sustainable engineering solutions that empower businesses and communities through quality service, advanced technology, and professional excellence.

Our Values

- Integrity
- Professionalism
- Innovation
- Safety First
- Reliability
- Customer Satisfaction
- Teamwork
- Excellence

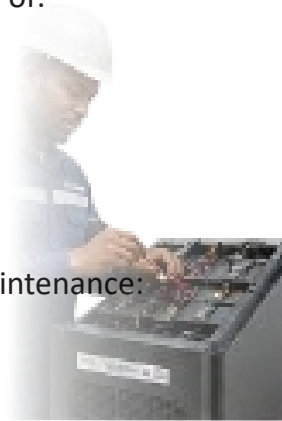

■ OUR SERVICES

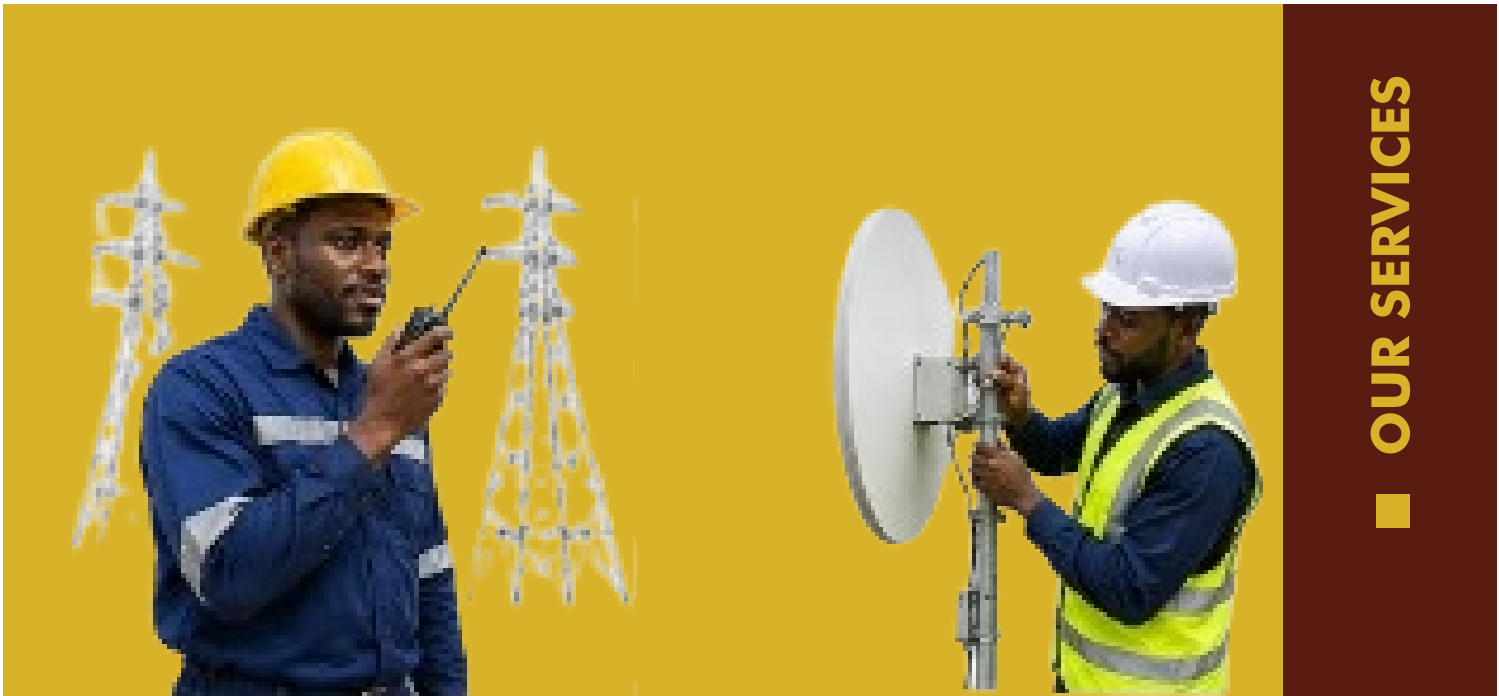

1. POWER SOLUTIONS

We provide comprehensive electrical engineering and power system solutions designed for efficiency, reliability, and long-term performance.

Services Include:

- General electrical engineering design, analysis and consultancy.
- Electrical installation and fault diagnosis.
- Electrical testing, commissioning and preventive maintenance.
- Supply, installation, servicing, repair and maintenance of:
 - Automatic Voltage Regulators (AVR)
 - Automatic Voltage Switches (AVS)
 - Uninterruptible Power Supply (UPS)
 - Power stabilizers
 - Battery chargers
 - Distribution panels
 - Electrical control panels
- Power backup system supply, servicing, repair and maintenance:
 - Inverters
 - UPS Systems
 - Diesel Generators
 - Hybrid Backup Systems
- Solar power system:
 - System design
 - Supply
 - Installation
 - Integration
 - Servicing
 - Preventive maintenance
- Industrial electrical troubleshooting.
- Energy audits and power quality analysis.
- Electrical equipment upgrades and modernization.
- Earthing and lightning protection systems.

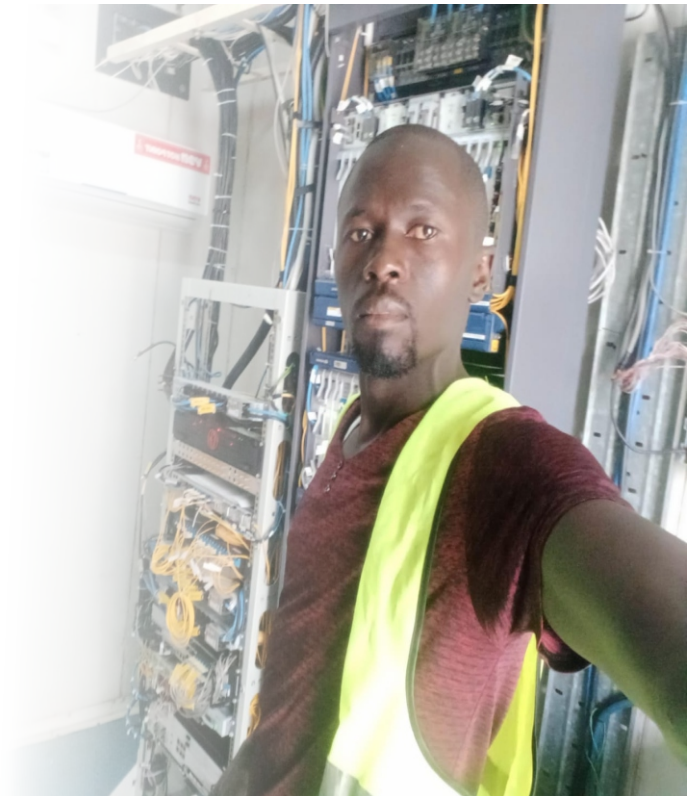

■ OUR SERVICES

2. TELECOMMUNICATION

TELENERGE LTD delivers end-to-end telecommunication infrastructure solutions that support modern communication networks.

Services Include:

- Telecom tower construction.
- Telecom site maintenance.
- Rectifier installation, servicing and maintenance.
- Base Transceiver Station (BTS) installation.
- BTS configuration and commissioning.
- Fibre optic cable installation.
- Fibre optic splicing, testing and maintenance.
- Radio equipment installation.
- Microwave radio installation.
- Antenna installation and alignment.
- Transmission equipment configuration.
- Network expansion and optimization.
- Preventive maintenance of telecom infrastructure.

3. ICT SOLUTIONS

We deliver intelligent ICT infrastructure that improves business operations, security and connectivity.

Services Include:

- Data Centre installation.
- Data Centre maintenance.
- Server room setup.
- Structured cabling systems.
- Network installation.
- Network diagnosis and maintenance.
- Access control systems:
 - Supply
 - Installation
 - Programming
 - Commissioning
 - Servicing
- CCTV surveillance systems:
 - Supply
 - Installation
 - Configuration
 - Maintenance
- Biometric attendance systems.
- Time attendance systems.
- Intercom and communication systems.
- Programming Logic Controller (PLC) installation and programming.
- Smart building automation systems.

WHY CHOOSE TELENERGE LTD?

Certified & Qualified Contractor

- Class **A1, C1, V1 & V2** Contractor
- **NCA Category 3**
- **T3** Registered

Safety First

We maintain full compliance with occupational safety, environmental, and statutory regulations in every project.

Technical Expertise

Our highly skilled engineers and technicians possess extensive industrial knowledge and practical experience across diverse engineering disciplines.

Quality Assurance

Every project is executed using quality materials, modern equipment, and industry best practices.

Reliable Delivery

We deliver projects on time, within budget, and to the highest professional standards.

Customer-Centered Approach

We believe in transparency, honesty, and long-term partnerships with our clients.

Projects of Every Size

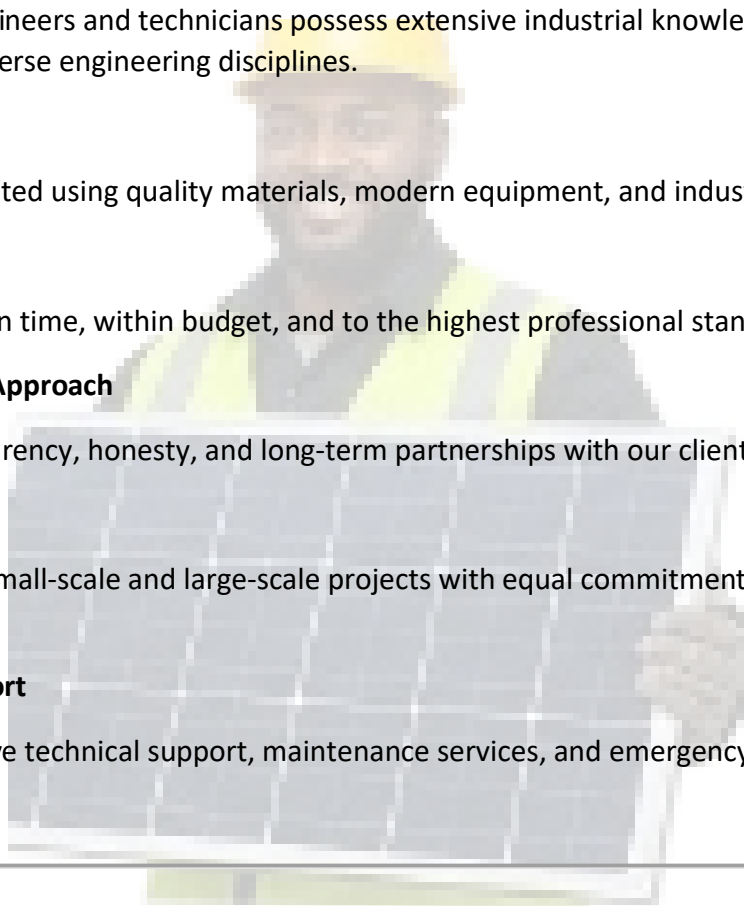

We undertake both small-scale and large-scale projects with equal commitment and professionalism.

24/7 Technical Support

We provide responsive technical support, maintenance services, and emergency fault response to minimize downtime.

Our Commitment

At **TELENERGE LTD**, we are committed to providing innovative engineering solutions that guarantee reliability, efficiency, safety, and sustainability. Our objective is to help our clients achieve operational excellence through quality engineering services and modern technology.

Industries We Serve

- Government Institutions
- Commercial Buildings
- Manufacturing Industries
- Telecommunication Companies
- Financial Institutions
- Healthcare Facilities
- Educational Institutions
- Residential Developments
- Energy Sector
- NGOs and Development Organizations

Our Competitive Advantage

- Experienced engineering professionals
- High-quality workmanship
- Competitive pricing
- Modern engineering solutions
- Timely project delivery
- Strong technical support
- Compliance with international engineering standards
- Client-focused service delivery
